

— RVA BUILDS · MEDIA KIT

Represent the brand **the right way.**

Logos, colors, type, tone & voice, key facts, and
photography — built to match the live site at rvabuilds.us.

MEDIA KIT · V1 · RICHMOND, VA

Build a career in the trades, **before you graduate.**

RVA Builds connects Richmond Public Schools students with paid, hands-on careers in construction and the skilled trades, before they even graduate. A Richmond Ed Fund initiative, backed by Bloomberg Philanthropies, moving students into Registered Apprenticeships in electrical, HVAC, welding, and construction.

BY THE NUMBERS

150

RPS grads aimed at registered apprenticeships in 3 years

500

Students in paid trades learning by 2028–29 (goal)

17

Partners: schools, the city, business & unions

120+

Paid work-based learning hours per student

\$8M Bloomberg Philanthropies investment

\$23/hr minimum total comp. after graduation

Icon, endorsement & usage rules

ICON / APP MARK

Richmond Ed Fund endorsement · white, on dark

Do

- ✓ Keep clear space equal to the height of the cube icon.
- ✓ Use full color on white or photography with a dark overlay.
- ✓ Scale proportionally — never stretch.

Don't

- ✗ Don't recolor the cube or crane outside the brand palette.
- ✗ Don't add shadows, outlines, or effects to the mark.
- ✗ Don't rotate, skew, or crowd the logo.

— 03 · COLOR

Color palette

Coral is the dominant brand color. Blue and purple are audience cues — blue for employers, purple for candidates.

BRAND, SURFACES & STATUS

					
Coral #F15C2C	Blue #329FE6	Purple #7A35AE	Surface Soft #F6F6F6	Ink #1A1A1A	Ink Muted #5A5A5A

Accessibility: Coral on white is $\approx 3.3:1$ — use for large text, buttons, and UI only, never small body copy. Body text is always Ink #1A1A1A.

Typography

Space Grotesk for headlines, **Schibsted Grotesk** for body — both free (SIL OFL) via Google Fonts.

DISPLAY / HEADINGS · Space Grotesk 700

Building futures in Richmond

BODY / UI · Schibsted Grotesk 400

Apprenticeships turn ambition into a career. RVA Builds pairs local talent with employers ready to train, mentor, and hire.

How RVA Builds sounds

Hopeful, trustworthy, civic, warm, data-informed, editorial.

Hopeful

"A choice-filled life is the standard."

Not fear-first

Trustworthy

"500 students, 17 partners, by 2028–29."

Not vague superlatives

Civic

"Right here in Richmond, Virginia."

Not placeless copy

Warm

"A student earning a paycheck and a future."

Not "human capital"

Data-informed

"\$23/hour minimum after graduation."

Not unsourced stats

Editorial

Full sentences, active voice, real quotes.

Not jargon strings

Audience-specific voice

The candidate card is verbatim from the live "For Students" page on rvabuilds.us — the calibration point for tone.

TO CANDIDATES · LIVE COPY

"Get paid to learn a career you'll keep." Earn paid hours in the skilled trades and graduate straight into a real apprenticeship, at no cost to you.

TO EMPLOYERS · ILLUSTRATIVE

"Train your next hire while they're still in school — a clear path to a Registered Apprenticeship."

TO PRESS · ILLUSTRATIVE

"Backed by Bloomberg Philanthropies, RVA Builds is Richmond Ed Fund's citywide push into the skilled trades."

Quotes for press use

Approved leadership quotes, paired with headshots for editorial and press use.

"Our students deserve to graduate with real options. A choice-filled life is not a slogan; it's a standard we hold ourselves to."

Jason Kamras
Superintendent, RPS

"By building direct pipelines from the classroom to local employers, we ensure young people have a clear path to stable careers."

Danny Avula
Mayor of Richmond

"Too many of our students leave high school without a real path to a career that can support a family. RVA Builds changes that."

Taikein Cooper
CEO, Richmond Ed Fund
